

Print and Virtual Member ID Cards

You can print your member ID card from express-scripts.com or view your virtual member ID card on your smartphone using the **Express Scripts mobile app**

Print a member ID card

Log in to express-scripts.com. If you are a first-time visitor, take a moment to register using your member ID number or social security number (SSN).

1. From the home page, select **Print & Request Forms & Cards** from the menu under **Health & Benefits Information**
2. Scroll to 'Print a member ID card' and click 'print a member ID card'
3. An image of your **member ID card** will appear. Click 'print card' and follow your printer's prompts, if needed.

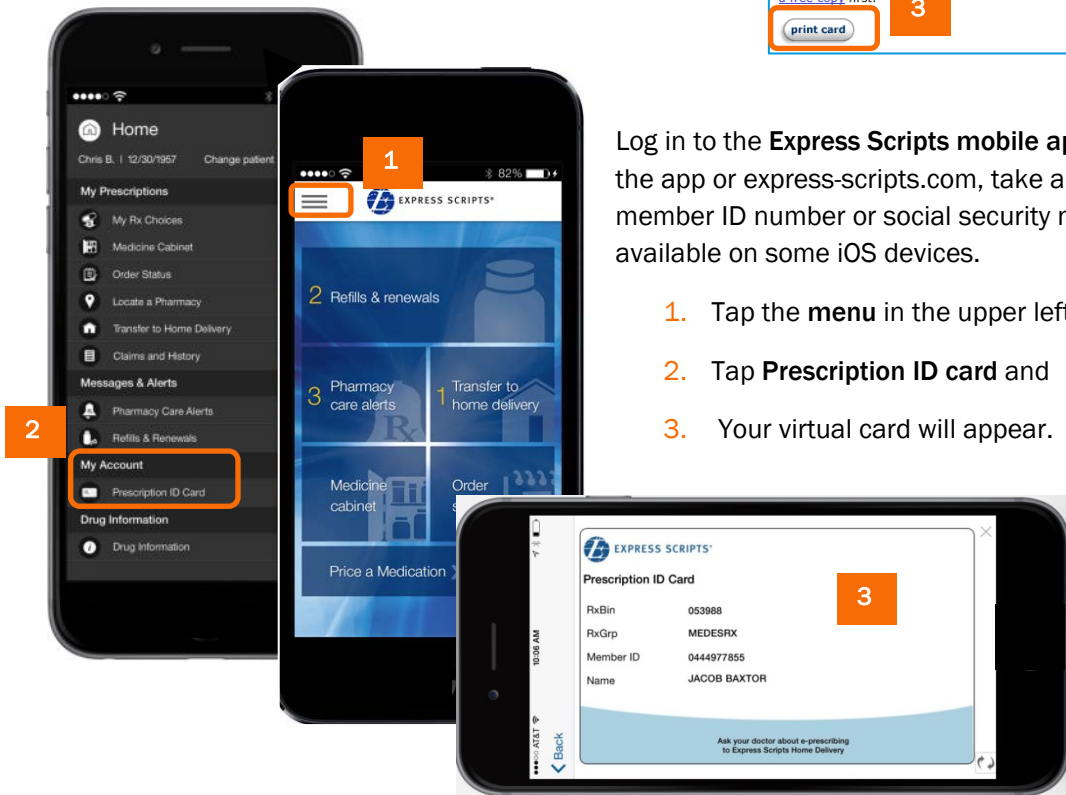

The screenshot shows the Express Scripts website interface. In the top navigation, 'Print & Request Forms & Cards' is highlighted with a red box and labeled '1'. Below, the 'Print a member ID card' section is highlighted with a red box and labeled '2'. It contains a table with member information:

Benefit provided by Express Scripts	
RxBin:	324323
RxGrp:	EYRD
ID No.:	34545435
Name:	CHRIS BELL

At the bottom of this section, a 'print card' button is highlighted with a red box and labeled '3'.

View a virtual member ID card

The screenshots show the mobile app interface. The first screenshot shows the 'My Account' menu with 'Prescription ID Card' highlighted by a red box and labeled '2'. The second screenshot shows the 'Prescription ID Card' screen with a red box and label '1' on the menu icon, and a red box and label '3' on the card details.

The virtual member ID card displayed is:

EXPRESS SCRIPTS® Prescription ID Card	
RxBin	053988
RxGrp	MEDESRX
Member ID	0444977855
Name	JACOB BAXTOR

Log in to the **Express Scripts mobile app***. If you have never registered via the app or express-scripts.com, take a moment to register using your member ID number or social security number (SSN). Touch ID login available on some iOS devices.

1. Tap the **menu** in the upper left-hand corner.
2. Tap **Prescription ID card** and
3. Your virtual card will appear.

* The app is compatible with most iPhone®, iPad®, Android®, Windows Phone®, Amazon™ and BlackBerry® mobile devices. Search for "Express Scripts" in your app store and download the app for free.
