

Philosophy

Santa Fe High School believes agriculture and agribusiness are essential to regional, national, and global economies. We recognize that agricultural and environmental technologies are vital to global survival. Therefore, it is our mission to offer progressive agricultural education, a challenging academic curriculum, and work experiences that prepare our students for continued learning. We are committed to providing a quality educational environment that recognizes diversity in student backgrounds, individual learning styles, and varying abilities. It is the responsibility of the school community to provide a positive learning environment fostered through mutual respect and dignity.
